Stunning villa in Portofino (Liguria, Genoa, LAR1727) - From 32.800€/week

A gorgeous and spacious villa "Julia" is let in a little but famous town Portofino, which is located near Genoa, Liguria. The villa is located high in the hills and offers stunning panoramic views of the coast and the Tyrrhenian Sea. The villa accommodates up to 10 guests. The total area of the residence with a garden is about twelve hectares.

This luxurious residence offers complete privacy and seclusion to its guests though its location allows getting the city centre on foot. The villa has unconventional access: visitors pass through a 200-meter tunnel in the rocks of the sea shore of Portofino, then an elevator lifts them up to 80 m to the entrance gate. A path through a beautiful garden leads to the three-storey house.

There are beautiful lawn areas, full of flowers and trees and a unique bar carved in the rock in the garden. The garden also has a large outdoor dining terrace for more than 10 people, and in addition, a magnificent swimming pool.

The interior design of the house is incredibly charming, authentic and elegant at the same time.
