Paradise Villa at Lake Como (Lombardy, Como, LAR1740) - From 3.360€/day

The villa was built in the early nineteenth century, and since then it has been well cared, so its architecture was saved.

Villa is able to accommodate up to 14 guests at a time, giving the opportunity to enjoy luxurious relax and unique views of Lake Como.

Entering the villa you get into impressive marble lobby. Guests can enjoy views of the lake from the porch, which leads to a beautiful terrace with a swimming pool. Also on the ground floor there is a large and bright dining room and a fully equipped separate kitchen, where a private chef cooks on request.

The villa has 3 very different but equally luxurious bedrooms on the first floor. Each bedroom has its own luxury bathroom and dressing room. Every bedroom has lake view and equipped with climate control.

The second floor has 4-bedroom suites with double beds, dressing rooms and bathrooms. Master suite has a large balcony overlooking the lake. All the other bedrooms also have views of the lake. The bedrooms of this floor are also air-conditioned.

Guests certainly will not be bored in this paradise with full range of the latest gadgets and electrical household appliances (satellite TV, stereo, WI-FI, table tennis and a gorgeous outdoor swimming pool). Housekeeper service is available every day.

The villa is ideally located near the city of Como, which is well connected with Milan and Lugano, as well as with the airports.

500 meters away from the villa there is parking space where you can leave the car and walk along the narrow path to the entrance. Delivery service of luggage is available during check-in and checkout. In addition, the villa has access to the lake, as there is the dock for boats next to the residence.
